WILLIAM JOSEPH SIMONDS
1915—1989

Husband, Father, Public Servant whose ability and competence steered the City of Rutland throughout his adult life.

"May the road rise to meet you,
May the wind be always at your
back, May the sun shine warm
upon your face, the rains fall
soft upon your fields and,
until we meet again may God
hold you in the palm of his
hand."

Mayor's Message

Jeffrey N. Wennberg, Mayor

To the Honorable Board of Aldermen
and the Citizens of Rutland:

Fiscal year 1989 was an excellent year for this community. At no time in recent memory have so many opportunities for community growth and betterment been within our grasp.

In the area of community development, investment has been the trend. Institutions, corporations and individuals appear anxious to invest in our future, from housing developments such as Stone Ridge Drive and the refurbished Pine Street School to public investments such as the \$23 million Rutland Regional Medical Center expansion.

The Howe Center, formerly Howe Scale, is once again in local hands and will soon be the home of not one but dozens of new and growing enterprises — offering employment and new tax base to our community. Another local investor announced plans to purchase the Opera House and Benn-Burry properties in downtown Rutland, both of which are viewed as pivotal to the district-wide redevelopment plans of the Rutland Partnership.

Perhaps the longest awaited sale of real estate in the City has finally been negotiated with announcement of the Finard/Zamias companies that they have reached an agreement with the owners of the downtown shopping plaza to purchase that property. This property has been recognized as critical to the redevelopment plans for all of downtown. Finard/Zamias' interest in this property was spurred by the City/Developer Agreement, which was signed last year. That agreement called for, among other things, a minimum of \$10,000,000 investment in downtown to head off potential negative impacts of the proposed Finard/Zamias shopping mall development in Rutland Town.

The people of Rutland are also investing in their future. In March, they approved the creation of the first Municipal Redevelopment Authority in Vermont. That action, and the contribution of over a million dollars toward the start-up of this organization, promise to make possible numerous public improvements that could not have happened otherwise. The first

task of the Authority will be to implement the Rutland Partnership master Plan for Downtown Rutland. Rutlanders also approved a one million dollar bond to expand and renovate the Rutland Free Library.

Any observer would certainly conclude that Rutland is making progress. One of the most important achievements has been the various activities of the Planning Commission. A new, dynamic and powerful municipal plan is now being crafted, with up-to-date zoning regulations soon to follow. It seems that as time goes on, commercial encroachment into our neighborhoods accelerates. Only through the adoption of a tough, enforceable set of land use regulations can we hope to preserve our community as we encourage its continued growth.

Pressures are building in our city. Pressures which will require us to make difficult decisions. Traffic congestion seems to worsen month to month, yet progress toward the construction of a bypass moves as fast as traffic on Main Street at the height of leaf-peakers season.

The greatest pressure of all remains that imposed by the burdensome and thoroughly unfair property tax. Community reinvestment and tax base development are the only tools we have to maintain local service levels without crushing our taxpayers. School costs are skyrocketing due to state-dictated public school approval mandates and an incredibly unjust state aid to education distribution formula. Mandates, plus inflationary increases in costs cause general government services to demand more and more of the taxpayer.

offices. The Nickwackett Fire Station will be renovated for use by the Historical Society. The City exchanged the former Willow-Edson parking lot for the lot at the corner of West and Cottage Streets and the new lot is being prepared for use as public parking.

The Charter & Ordinance Committee is overseeing the complete recodification of City Charter and Ordinances. This is a lengthy process which will result in elimination of conflicts, out-of-date laws and confusing indexing. This job was last done in the late 1960's.

The Board of Aldermen is aware that its first responsibility is to the citizens of the City of Rutland. The Board has approved city participation in State and Federal grant applications that will benefit elderly, handicapped and low income resident of the City. The Board of Aldermen proposed and the voters approved a reduction in Charter authorized property tax limits in March of 1989. The Board has committed itself to review the City budget very closely during Fiscal Year 1990 to ensure that all possible cost savings are realized in order to stay within the allowable limits in coming years. Development proposals are carefully scrutinized for their impact on City services in an effort to increase the City's grand list to alleviate the tax burden on residential property owners.

The Board of Aldermen has supported efforts of the Rutland City Board of School Commissioners to insure that state aid-to-education formulas are made more equitable for all municipalities and to reduce the property tax burden on property owners.

I would like to thank the Mayor, all City Department Heads and Officials for the support they have given to the Board of Aldermen during the past year and for their endeavors to improve the services provided to the people of the City of Rutland. I would like to thank all members of the Board of Aldermen for their contributions to the betterment of the City of Rutland. The workload of Aldermanic committees during this past year was overwhelming and the results of that work have been very rewarding. I would also like to thank my fellow Aldermen for the confidence they have shown in me by electing me President and for their continued spirit of cooperation and respect. Particular thanks are due to Rosemary Finley, Clerk of the Board of Aldermen, for her dedicated service to the Board and myself.

As the City of Rutland draws near the end of its first one hundred years as a city, it is a very exciting period in the history of our city to be a participant in its government.

RUTLAND CITY BOARD OF ALDERMEN

Standing: Robert Stafford, President John Cassarino, Henry Brislin, Sigismund Wysolmerski, Quincy Baker, Jr., Charles, Franzoni, Paul Clifford, Arthur Crowley, Jr., Nicholas Barone.
Seated: Patricia Donnelly, David Sagi, City Clerk Rosemary Finley

Board of Aldermen

Regular meetings of the Board of Aldermen are held on the first and third Mondays of each month at 7:30 p.m. in City Council Chambers.

Audit Report

Reports of the audits conducted by the City of Rutland and the Rutland City School Department are included in the City of Rutland Financial Statement which is a separate document and is available from the Office of the City Treasurer.

Report of the City Treasurer

R. J. Graves, City Treasurer

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

The Treasurer's office again has completed another year in fulfilling its duties and responsibilities to the Tax Payers of the City of Rutland. Myself and staff are pleased to submit to you the annual report for the year ending June 30, 1989.

It is without question that our responsibilities are great. We in the Treasurer's office welcome our duties and hope that we have performed them diligently and foremost to the best of our ability for the Tax Payers of the City.

Our duties are widespread in nature from preparing and collecting tax bills, water and sewer rents and providing service to the general public, as well as providing fiscal support of all departments of the City.

Utmost in our duties is the accountability of the Tax Payers' dollars. This office publishes a comprehensive financial report annually under a separate cover. As presented in that report the General Fund of the City as a result of its operations had a Fund Balance or surplus of \$403,124.24. This fund balance is directly carried over to the next fiscal year to offset what needs to be raised by taxes for that fiscal year.

The City met its debt requirements promptly during Fiscal Year 1989. It paid out \$295,000.00 in principal and \$278,909.00 in interest. The City's total Bonded Indebtedness as of June 30,

1989 is \$3,785,000.00. Interest on that debt totals \$1,994,146.25.

The City also maintains Water, Sewage Disposal and Parking Meter Funds in addition to a number of Trust and Agency Funds.

The Enterprise Funds (Water, Sewage Disposal, Parking Meter) as a result of their operations had net income or (loss) in the following manner:

Water Fund	(\$ 63,709.68)
Sewage Disposal	\$205,855.35
Parking Meter Fund	\$ 16,488.40

A more detailed summarization of these funds may be found in the Financial Report.

The Financial Report was audited by an independent certified public accounting firm, A.M. Peisch and Co., Inc. The audit was designed to meet the requirements of the City, State and the Federal Single Audit Act of 1984 and related OMB Circular A-128.

The preparation of this report and the comprehensive annual financial report on a timely basis was made possible by the dedicated service of the entire staff of the Finance Department which is made up of the Treasurer's office and Data Processing Department.

In closing, without the continued support of the City Council and respective Departments of the City the preparation of this report would not have been possible.

Report of the City Assessor

John J. Collins, City Assessor

To the Honorable City Council and the Citizens of the City of Rutland:

I am pleased to submit the annual report of the Assessor's Office for the fiscal year ending June 30, 1989.

During this year all appeals to this office resulting from the 1988 reappraisal were heard and determined; at this point the Board of Civil Authority is nearly finished with the appeals made to that body.

The Grand List at April 1, 1989 stood at \$680 million dollars, an increase of \$25 million over 1988, reflecting normal growth in both new residential and new commercial real estate for an off appraisal year; total business personal

property and inventory values remained unchanged despite the additional 20% exemption for inventory values effective this year according to the schedule approved by the voters in 1988.

I would like to take this opportunity to thank the taxpayers for their patience and understanding during this reappraisal process, the offices of: the Treasurer, City Clerk, Building Inspector and Data Processing for their cooperation and assistance and finally those members of the Board of Civil Authority who worked so diligently and capably this past year.

Report of the Building Inspector/Zoning Administrator

John J. Kollmer, CBI, Building Inspector/Zoning Administrator

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

I am pleased to submit to you the Annual Report of the activities of the Building Inspector/Zoning Administrator's office for the Fiscal Year ending June 30, 1989. I wish to thank the Mayor, Board of Aldermen, Board of Zoning Adjustment, and the Planning Commission and all the department heads and their departments for their cooperation and assistance.

Our office performed 1146 Certificates of Occupancy, had 29 public hearings, issued 27 sign permits, and we issued the following Building and Zoning Permits:

38 Single Family Dwellings	\$2,866,850.00
4 Multi-Family (2 or more units)	510,000.00
18 Commercial Buildings	6,106,383.00
122 Residential Renovations	1,795,816.00
21 Garages (Residential)	103,191.00
2 Garages (Commercial)	137,000.00
6 pools	29,500.00
1 Moved House	62,400.00
1 Mobile Home	40,000.00
13 Demolitions	195.00
224	\$11,548,935.00

Laurie Wentworth, John Kollmer, Pamela Petrie

Report of the Office of Community Development

Thomas L. Donahue, Director

To the Citizens of Rutland:

It has been an extremely encouraging year for the City of Rutland. Community development best describes what has taken place the past year. With an unprecedented amount of community involvement, we have a clearly outlined direction for the future. Through neighborhood assemblies, the Rutland City Planning Commission has prepared a Municipal Plan, Zoning Regulations and map, addressing the goals of Act 200 and the needs of the community. The Rutland Partnership has addressed the needs of the downtown and through the tireless efforts of the many volunteers, we have successfully commissioned a revitalization study that will be implemented to organize and develop our downtown business district. This, in concert with a cooperative marketing program between the proposed Regional Mall and the renovated Rutland Shopping Plaza, and a unique transportation link, will breathe new life into this region. The Rutland Redevelopment Authority has begun to unfold and promises to be a unique tool for continued growth and the elimination of slum and blight in our city, offering incentive to businesses old and new, to establish and thrive within our borders. Additionally, the Howe Center is now being developed and we are working diligently to fill that incubator space with light manufacturing facilities. The Rutland Regional Planning Commission followed the Rutland City Planning Commission, Rutland City Board of Aldermen and Rutland Regional Chamber of Commerce in taking a uniform position on a bypass and addressing the need for long and short term traffic improvements. The

message delivered to the State Transportation Agency also requested \$1.8 million dollars in financial assistance. Another milestone was the \$250,000 grant awarded to the City by the Agency of Development and Community Affairs. This implementation grant, one of only eleven statewide, will allow the start up of a new manufacturing company in the city, a new day care facility and the rehabilitation of the Paramount Center. The State of Vermont, in awarding this grant, recognized the need for economic development in the City of Rutland, at a time when affordable housing projects are the top priority of this State agency. The City has been working diligently with the Rutland West Neighborhood Housing Service to provide housing and improvements, a program that has been highly successful.

Our Sister-City relationship took another step forward this past year, with the completion of another student exchange and the visit of Ishidoriya, Japan officials. A cultural exchange is expected in the future and a move towards promoting tourism. It has been my pleasure to have served the City on many of the boards and organizations listed above and to act as a conduit for community development. The achievements of this office last year could not have been accomplished without the great support of these boards and organizations, especially the Mayor, Board of Aldermen and Planning Commission. I look forward to an exciting year ahead. As we approach our City Centennial, Rutland is truly on the right track.

Doris Keller, Frank Zetelski, Esq.

Report of the City Attorney

Frank H. Zetelski, City Attorney

To the Honorable Board of Aldermen, Mayor Wennberg and Fellow Residents of the City of Rutland:

It is indeed a pleasure to report on the activities of the City Attorney's Office for the year July 1, 1988 - June 30, 1989. I must compliment former City Attorney Henry Brislin for the fine job he did for the City for most of that year and wish him well in his private law practice and also in his capacity as Alderman. The Assistant City Attorney/Grand Juror, Christopher Sullivan, must also be complimented for his fine job on behalf of the City and his continuing dedication to the legal affairs of Rutland City.

It is indeed an honor to be back as Rutland City Attorney. The City has been involved in various activities, most of which have been well publicized. This office has done its best to advise and assist the City to further responsible development and as such has been involved not only in various items of litigation, but also in the area of contracts, negotiations and legal planning for the City's wellbeing. I am particularly

excited about the prospects of the City during the next year and beyond.

I am troubled by the number of lawsuits, claims and complaints which come to the City and am hopeful that these will decrease and the current ones resolve for the good of the City and the region. Unfortunately too many claims are presented which are of questionable merit and these tend to cost the City and taxpayers both in money and in time of City officials diverted from more worthwhile pursuits.

I look forward to a continued good working relationship with all of the department heads, the members of the boards and commissions of the City, the union officials, the Aldermen and the Mayor and I thank them for their support and help during my period of readjustment to this position. I also commend and thank my secretary and assistant Doris Keller for her help. The Legal Department of the City cannot function without everyone's cooperation.

Standing: Darlene Gregory, Mary Rita Walleit, Donna Fuller
Seated: Rosemary Finley, Sharon Mazzariello

Office of the City Clerk

Rosemary F. Finley, C.M.C., City Clerk

To the Citizens of the City of Rutland:

The following is the Annual Report for the Office of the City Clerk for the year ending June 30, 1989.

MEETINGS RECORDED

Board of Aldermen	32
Board of Civil Authority	9
Board for Abatement of Taxes	3
Public Hearings	14
Board of Finance	45
Board of Highway Commissioners	18
Tax appeal Hearings	169

LAND RECORDS

7,859 pages of land records were recorded and microfilmed during the year.

LICENSES

Licenses issued for license year starting May 1, 1989:

First Class Beverage Licenses	57
Second Class Beverage Licenses	44
Business Licenses	208
Dog Licenses	1,224

VITAL RECORDS

Births	849
Resident Births	244
Non-resident Births	605
Deaths	501
Resident Deaths	235
Non-resident Deaths	266
Marriages	243

TAX APPEALS

A Total of 238 appeals of April 1, 1988, property assessments were filed as a result of the City-wide reappraisal. Four appeals were withdrawn. To date the Board of Civil Authority has heard and rendered decisions on 169 appeals; and 65 appeals remain to be heard. Each appeal process involves a physical inspection of the property in question by three members of the Board of Civil Authority, and a hearing at which the inspection committee presents its report and the appellant and City Assessor have an opportunity to present testimony and evidence.

ELECTIONS

Three elections were held during the year: Statewide Primary Election in September 1988, General Election in November 1988, and the Annual City Election in March 1989.

The September Primary was the first election for which the polls were opened from 7:00 a.m. until 7:00 p.m. at the direction of the Board of Civil Authority. The longer hours along with the conduct of three major elections created a demand for more election officials to run the polling places.

I would like to commend our Ward Clerks, Inspectors of Elections and Ballot Clerks for the exceptional efforts they put forth in the conduct of elections during the year. The March Annual Election resulted in a recount of votes for the office of Alderman which upheld the accuracy of our OP-III optical scanning election equipment.

VOTER CHECKLIST PURGE

A name by name check of the City's 13,000 registered voters has revealed approximately 3500 voters whose residency is in question. Notices were mailed to these voters regarding their continued eligibility to vote in the City. Response have been as follows:

- 2,626 returned by Post Office as undeliverable
- 650 no response, second notices will be sent
- 97 no longer live in the City and will be deleted by the Clerk's Office.
- 94 are still eligible to vote and will be retained on the checklist.
- 33 deceased (confirmed by death certificates); will be deleted.

The deadline for return of second notices is September 5, 1989. After that date a list will be compiled of all voters who did not respond and all voters whose notices were undeliverable. This list will be presented to the Board of Civil Authority for possible removal from the voter checklist.

The purge of the voter checklist will result in a more accurate accounting of eligible voters and voter turnout at elections. Cost savings will be realized due to the reduction in the number of ballots to be printed for each election.

Although this process has taken a period of years to accomplish, it has been done with computer assistance which will make subsequent updates much easier and less time consuming to perform.

CITY CHARTER AMENDMENTS

At the Annual City Election in March 1989, the voters overwhelmingly approved a Charter amendment authorizing the establishment of the Rutland Redevelopment Authority. Another Charter amendment approved by the voters reduced the Charter limit for taxes to \$.85 for General City Purposes and \$1.05 for the use of the Schools. A third amendment dealt with the revision of ordinances and changed the requirement to provide 500 copies of revisions without charge to 200 copies at cost. All amendments were accepted by the Vermont State Legislature and signed into law by the Governor.

I would like to thank Mayor Wennberg, the Board of Aldermen and all City Department Heads and personnel for their continued support.

I would especially like to thank the staff of the City Clerk's Office for the extra effort required during FY 1989, due to the conduct of three major elections. During the year Mary E. (Betty) Hackett retired after nineteen years of service to the City of Rutland. Betty's calm quiet countenance is missed by her fellow workers and the general public. Darlene Gregory joined the staff during the year and tackled the monumental task of completing the purge of the voter checklist which has been attempted many times in the last few years.

Susan Oliver Eckhardt, Ass't P.A.

Report of the Purchasing Agent

Rosemary F. Finley, Purchasing Agent

Susan Oliver Eckhardt, Assistant Purchasing Agent

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

Fiscal Year 1989 was the first complete year for the reorganized purchasing function of the City. The addition of a full-time Assistant Purchasing Agent has added greatly to the efficiency of the operation. The Ass't P.A. has reduced the workload for major City departments by centralizing time-consuming bidding operations for major purchases and increasing vendor participation for purchases that do not fall within the bidding requirements of the Charter.

An IBM PC, independent of the City's main frame, has been purchased and installed. The word processing function has greatly speeded up the paperwork involved in the bidding process for all departments. All purchase orders are recorded on the computer which is capable of providing printouts for all departments or for individual departments. A search is being conducted for computer software packages that will fit the City's needs and expand the computerized purchasing function.

We are in the process of installing an electronic data interchange system which will permit us to communicate directly with vendor's computer systems for purposes of check prices, placing orders, and tracking back orders.

Improved records management methods have reduced the possibility of abuse of the purchasing system by streamlining the process of checking purchase orders against invoices to prevent unauthorized purchases. It has also eliminated a long-time problem of double payment of invoices.

A library of purchasing manuals, catalogs, and vendor lists has been established and is available for use by all departments. Vendor lists and prospective bidders lists are constantly being expanded.

Now that we have someone that can devote full time to the purchasing efforts, contacts and relationships with vendors have improved resulting in increased competition for City business and, thereby, lower prices.

The Assistant Purchasing Agent has recently been instrumental in initiating a whitepaper recycling effort at City Hall and in testing recycled papers for use with copy machines and possibly letterhead papers.

A long planned for relationship with the Vermont State Purchasing Department has been established and is resulting in the City taking more advantage of State bid prices for many items.

Assistant Purchasing Agent Eckhardt is an active member of the National Association of Purchasing Managers and Purchasing Managers Association of Vermont. She is currently Treasurer of the Vermont Association. Membership in these professional organizations provides many benefits for the City such as training programs, availability of literature and software,

networking with other purchasing managers, etc.

We would like to thank Mayor Wennberg and the Board of Aldermen for their support in establishing a full-time purchasing function for the City. To our knowledge, Rutland is the only municipality in the State of Vermont to take this step towards more progressive financial management. We would also like to thank the City Department Heads and personnel for their assistance in implementing new purchasing procedures. We would especially like to thank Data Processing Manager Micheline Kelley for her continuing assistance in computerization of the purchasing function and Art Courcelle of the Department of Public Works for assisting in the reorganization of purchasing records based on his years of experience handling purchasing records for his department.

Constable and Tax Collector Report

Vernon Richards, Constable and Tax Collector

To the Honorable Board of Aldermen and the City of Rutland:

As City Constable and Tax Collector of the City of Rutland, I am pleased to submit for your consideration the financial report of this office for the period July 1, 1987 to June 30, 1988.

Real Estate and personal property taxes collected during the period amounted to \$589,162.23.

General bills include water and sewer installations done by the City, sidewalk and curb improvements, tree removals and other expenses totaled \$4,489.86.

Water and sewer assessments amounted to \$79,576.34.

The cumulative total for all monies collected by this office for this period was \$673,228.43.

May I take this opportunity to thank sincerely the Honorable Mayor, City Attorney, other City officials and employees for their cooperative efforts during the past year.

Emergency Management Report

Aldo M. Manfredi, Director, Emergency Management

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

I hereby submit to you the Annual report for the Emergency Management Department for the year ending June 30, 1989.

This past year was one that saw more emphasis placed on hazardous material incidents, both in the work place and the community. Many courses were given to the employees of the City at the Fire Station. Attendance was good and I believe that much was learned through these classes.

I found the many conferences and meetings that I attended throughout the past year to be very beneficial in the day to day operations of my Department.

The City Department Safety Program which I oversee, was what I consider a great improvement, since injuries in the work place were reduced somewhat over the previous year.

I represented the City on the Rutland Regional Ambulance Board of Directors. The meetings are held once a month and I am pleased at the progress that has been made in this organization over the past several years.

The School Crossing Guard Program has completed another year and I sincerely extend my heartfelt thanks to each and every one of them for a job well done. It is becoming more difficult to find people who are willing to do this job.

The Emergency Fuel Fund completed another season with assistance rendered to many needy

Mary Ann Dyer, Aldo Manfredi

city families. All funds for this worthwhile program come from the City Council of Churches.

Lastly, the implementation of the "911" emergency phone service was completed and is now in operation. I would like to thank Acting Police Chief Anthony Bossi and Lt. John Sly for their assistance in bringing this project to a successful completion.

I thank the Mayor, the City officials, employees, volunteers and the State Emergency Management Staff for the cooperation and assistance given me this past year.

Row 1: Beverly Culver, Richard Pellistri, Janice Hewitt, Joseph Gutzwiller, Jr., Francis Heffernan
Row 2: Teena Trask, Angelo Consolatti, Lee Dyer, John Oney, John Peterson

Fire Department

Gerald T. Lloyd, Chief Engineer

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

It is with pleasure that I submit herewith the annual report of the Rutland City Fire Department. During the past fiscal year, this department has made a concerted effort to upgrade and improve the condition of the firefighting equipment used by this department.

Engine #1 was completely refurbished and the pump on this vehicle was rebuilt. By taking these steps, the useful firefighting life of this vehicle has been extended by 10 years. The new Rescue 8 that was ordered in January has arrived at the fire station and has been placed into front line service. This new equipment has proved to be particularly efficient and meets or exceeds the needs of the Paramedic rescue program and provides this department with the ability to have all the required emergency rescue equipment for this most essential service located on one vehicle.

The Rutland Rotary Club donated \$20,000 and the Concerned Citizens of the General Electric Company donated \$8500 to assist this department with the purchase of this new rescue unit. We, from the fire service, are extremely grateful for the assistance that has been provided by these two organizations. In addition to this, we have also received private donations from citizens and organizations who have been most supportive of the Paramedic Rescue Program.

A new state of the arts computer was purchased by this department and at the present time, is being programed with information that will improve the firefighting capabilities of this department. By developing these programs, it will provide to the firefighters of this department the necessary information needed when handling emergency situations in high hazard areas. When on line, this equipment will have the capability of pin pointing the exact location of fire hydrants, streets, hazardous material storage and other important information relating to the operation of the Paramedic Rescue Program.

The Rutland American Legion, Post 31 provided this department with a grant in the amount of \$1000 in the name of Alfred H. Koltonski to assist in the purchase of this equipment.

The Board of Aldermen authorized the replacement of this department's outdated telephone communication system during the fiscal year 1988-1989. This project was recently completed with the installation of a new computerized telephone and intercommunication system. The new service is fully compatible with all other Rutland City emergency agencies and should add greatly to the emergency response of this department.

A system of 5" large diameter hose was purchased and placed in service. This will increase the volume of water that will be available for fire suppression at emergencies, or major conflagrations.

A total of 37 members of this department successfully completed Phase I of our department's ongoing certification program. This mandatory training consists of three levels of instruction and certification for firefighters, all of which should be completed by December of 1990. Once again, during the past year, members of this department were provided the opportunity to increase their skills in the field of fire suppression, fire prevention, paramedic, rescue, EMS, extrication and other emergency related training opportunities. Twenty six (26) members of this department took advantage of these training opportunities and have successfully completed these courses. Two (2) more members of this department have successfully completed classes on hazardous materials offered by the National Fire Academy in Emmitsburg, Maryland. Following the completion of the classes, they were awarded certificates as specialists in the field of hazardous materials. The knowledge that they have obtained will be shared with other

members of this department in an effort to provide current and up-to-date information concerning the problems that face firefighters when handling and neutralizing hazardous material situations.

Your fire department responded to 853 fire calls, 1494 rescue calls, 259 citizen assistance calls and 37 hazardous materials incidents. We were involved in 3 general alarms during the past the past fiscal year. The largest of these fires took place at Conway's Decorating Center located on Center Street on January 4, 1989. Once again, our new Gruman 102 ft. aerial platform truck played a major part in helping to contain the major part of this fire to the third floor attic area which was the room of origin. This particular structure was saved but did sustain major fire and water damage. Renovations to the structure are currently under way and it is estimated that the building will reopen for business in the Fall of 1989.

I wish to thank the members of this department, Mayor Jeffrey Wennberg, the members of the City Council and department heads for their cooperation and assistance during the past year.

Grand Juror / Assistant City Attorney

Christopher P. Sullivan, City Grand Juror / Assistant City Attorney

To the Board of Aldermen and Citizens of the City of Rutland:

The fiscal year ending June 30, 1989 has been another year of change for the office of City Grand Juror/Assistant City Attorney. Henry Brislin resigned as City Attorney with Frank Zetelski being appointed to that position. It was a pleasure working with Henry throughout his tenure as City Attorney. I would also like to congratulate Frank Zetelski being appointed as City Attorney. I look forward to working with Frank on the challenging and exciting issues facing the City in this coming year.

The City Grand Juror has collected \$74,231.00 in parking fines this past fiscal year, an increase of \$12,459.00 over last year's fines. This increase is the result of increased enforcement efforts by both the Police Department and this office. The City Grand Juror has also assisted in collecting \$27,001.00 in criminal fines.

In addition to the duties as Grand Juror, this office as Assistant City Attorney has continued to advise and counsel the Board of Aldermen, Board of Liquor Control Commissioners and the committees thereof as well as many administrative committees. Frank Zetelski has taken over the duties of advising the Zoning board of Adjustment and variance appeals.

Further, recent efforts of this office has been focusing on the recodification of the local ordinances and charter. This process involves the revision of the ordinances and charter for better control of local issues. The recodification will update and correct any inconsistencies within the ordinances, charter provisions, as well as state and federal laws. Truck traffic, parking fines, health and safety issues, building code violations, trash/recycling among others, will be addressed through these efforts and remain top priorities with this office.

Finally, I would like to take this opportunity to thank Doris Keller, our legal secretary/assistant for enduring through more changes of the Legal Department. Ms. Keller is now working for both the City Attorney and Assistant City Attorney/City Grand Juror, and has been the right arm of this office. Again, I would like to thank Henry Brislin for his efforts as City Attorney. I congratulate Henry for his appointment and confirmation as an Alderman. His dedication and experience with City Government will prove to be invaluable throughout his tenure. Further thanks are due to each member of the Board of Aldermen, Mayor Wennberg, all City Department Heads and the City Clerk's and Treasurer's Offices for their support and assistance.

Health Officer

James A. Gray, M.D., Health Officer

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

Fiscal Year 1988-1989 has brought several interesting developments and problems to be dealt with by the Board of Health and your Health Officer. With the reorganization of the Department of Health, the creation of a position of Deputy Health Officer has enabled closer cooperation with the Building Inspector's office, the City Attorney, the Mayor's office, the City Clerk's office, the Police Department, and the Department of Public Works. Many of the health problems have required input and assistance from several of these agencies of city government. On at least 3 occasions the Health Department and the City School System have worked cooperatively.

The single most significant health improvement during this year has been the completion of the new East Wing of the Rutland Regional Medical Center. This new building together with major redevelopment in the older structure and reshaping of services has enabled the Medical Center to prepare for the health needs of our citizens for many years to come. The new facility will enable Radiation therapy to be performed here in Rutland rather than travel to hospitals located hours away. Radiation together with Surgery and Chemotherapy now provide for complete up to date treatment for the numerous types of cancer. The new operating suite and out patient unit will enable the hospital to keep up with the ever changing technology. Skills using laser rays and modern equipment to deal with trauma, major joint repair or replacement, complicated neurologic, ophthalmologic, obstetrical, head and neck, vascular, and plastic surgery together with continued improvements in other types of general surgery will provide comprehensive care to our citizens. The Diagnostic Imaging Department has also been improved and now will provide complete ultrasonography, magnetic resonance imaging, mammography, and non invasive vascular studies in addition to the computerized tomography (CT) scanning, radio nuclear scanning and time proven X-Ray diagnosis. The Laboratory had moved to the new building and is equipped with the most up to date equipment

*Board of Health with Mayor Wennberg
New East Wing of the Rutland Regional
Medical Center*

to aid in rapid diagnosis and ongoing surveillance. The physio therapy Department has been improved to provide services to both hospitalized and ambulatory patients. The Obstetric Department has also been modernized with equipment and facilities to provide complete family oriented maternity care. Cardiology, Neurology and Respiratory therapy will have modern diagnostic equipment and facilities. The Emergency Department and all other services in the hospital have been improved to provide better care to the ever expanding service area. The 24 million dollar redevelopment program will provide the place and expertise to deal with health care needs well into the twenty first century.

In the fall of 1988 all Health Officers of the State received a communication from the State Health Department warning of the potential dangers of radon exposure. The matter was discussed with the Board of Health and the Rutland City School Board and a radon level monitoring project was set up using Public Buildings located in all parts of the city. The time of monitoring required a 4 day period in the cold season of the year when air movement in the basements of the buildings was at a minimum. The canisters for collecting radon gas were exposed for 96 hours in each case and were

analyzed by certified radon testing laboratories and the results tabulated. The 10 sites selected for the tests showed radon levels between .13 and 1.10 picocuries of radon per liter of air. The acceptable level according to Federal EPA guidelines is less than 4.00 perocuries per liter. This study would suggest that all of the sites tested were well within the guideline levels, but it also showed that as one moved from East to West through the city, the levels increased. This correlates well with statewide studies indicating that the mountains west of Rutland show some of the highest levels in the state. People should be advised that wide variation can exist from one building to another.

In the Spring of 1989 a program of immunization updating was undertaken by the Health Officer and the Department of Public Works (DPW). Although originally planned for workers in the DPW, the project was opened for all city employees. A total of 37 diphtheria/tetanus booster injections were given at 3 different sites throughout the city. This will probably be repeated from time to time.

Asbestos in buildings has become a significant health problem especially when the asbestos materials are being removed from pipes, fire walls, furnaces, and siding. This material is no longer allowed in building construction and the US Environmental Protection Agency (EPA) has issued specific regulations on how this mineral is to be handled when being removed from old buildings. The EPA has delegated authority to the various State Health Departments and the States in turn are passing authority (and responsibility) to the local health officers and building inspectors. We have had 2 problems with this abatement program in the past year and will undoubtedly have more in the future. The Rutland City Board of Health is planning to study the problem in detail at its next meeting.

Another major responsibility of the Health Officer is close surveillance of the city water system. Monthly reports are reviewed and significant abnormalities investigated. At no time during the past year has it been necessary to issue a "Boil Water" order for the City although we were ready to do so if a leak at the Water Control Station has not been rapidly corrected. Our water continues to meet all recommended Clean Drinking Water Act standards. The addition of zinc orthophosphate to the water has produced

a protective lining of the entire water system, right up to the faucets in homes, and we are seeing beneficial results with much less clouding and coloration of the water, lower turbidity readings and less chlorine required to keep the water safe and free of significant bacteria. The EPA maximum contamination level (MCL) for zinc is 5.00 milligrams per liter and our most recent level is 0.262 milligrams per liter. Recent levels of copper are down from .12mgm/L in 1988 to .08 mgm/L this year. The best news is that the lead levels have gone from .008 mgm/L in 1987 to .005 mgm/L in 1988 and to none detected in August of 1989. The EPA MCL for copper is 1.000 mgm/L and for lead is .05 mgm/L.

The Rutland Emergency Management District, through the efforts of Mr. Aldo Manfredi, Director of Emergency Management for the city, was established in the fall of 1988. This has resulted in an ongoing organization prepared for a number of situations which might affect the safety and health of the citizens of the area. Your Health Officer together with representatives from many other city agencies and a large number of participants from industries and municipalities in the county are in the process of developing preparations for a wide variety of potential emergency and hazardous situations.

The Department of Health has almost daily problems and complaints which need investigation and action. From 7/188 to 6/30/89, these problems are summarized as follows:

Improper garbage storage or disposal	31 investigations
Roaches & vermin in apartments	7 investigations
General health problems of tenants	9 investigations
Sewer backed up or leak problems	3 investigations
Rat control problems	7 investigations
Vacant lot care problems	17 investigations
Asbestos abatement problems	2 investigations
Dog & animal bite problems	14 investigations

The Deputy Health Officer, Mrs. Pamela Petrie, sent a total of 33 registered letters as part of the investigation actions and no citations had to be issued. All dog and animal bite notices are

followed up by the animal control unit of the City Police Department.

The Board of Health is composed of the Health Officer and Deputy Health Officer and 3 citizens appointed by the Mayor and Board of Aldermen. During this fiscal year, Dr. Gordon Smith, M.D., Robert Beauchamp, B.S. in Pharmacy, and Dr. Alexander Herzen, M.D. served on the Board. There were two meetings called to review problems and develop new expertise and regulations. The Department of

Health has been served well by their input and assistance. The Health Officer wishes to publicly thank Public Works Commissioner Robert Navin, Water Treatment Manager Bernard Congdon, City Engineer W.E. Conner, City Laboratory Director Michael Garafano, Building Inspector John Kollmer, Civil Defense Director Aldo Manfredi, Assistant City Attorney Christopher Sullivan and Mayor Jeffrey N. Wennberg, for their assistance to the Department of Health.

Milk Inspector

James A. Gray, M.D., Milk Inspector

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

Although most food serving and processing establishments are inspected and licenses by Federal and State Agencies, Dairy products fall under the responsibility of the City Milk Inspector. By April 1 each year each business that sells or serves milk products (including cheese, ice cream, yogurt, and other dairy products) must have an up-to-date license for the ensuing year. There are two dairies that sell these products wholesale and their processing plants require current certification by State inspectors. During fiscal year 1988-1989 there were 125 city businesses that required inspection and milk licenses. In addition there were 26 inspections and licenses issued to organizations at the Rutland Fair Grounds during "Fair Week." Whereas several businesses did not pass the inspection initially in 1987-1988, the conditions in the refrigerators and freezers were much improved when inspected in 1988-1989 and no inspections needed to be rechecked. As new establishments open during the year, their milk and dairy product refrigeration must be inspected and licenses issued for the remainder of

Milk Inspection at Roxie's - Fair Week 1989

the year. The Deputy Health Officer, Mrs. Pamela Petrie performs most of the inspections and she can be contacted at her office at the Rutland City Hall.

RUTLAND PLANNING COMMISSION

*Sitting left to right: Shirley Birt, Carolyn Baker, Nancy Beauchamp, Marianne Combs, chairperson
Standing left to right: Bernie Haley, Royal Barnard, Don Taylor
Missing - John Ruggiero and Patrick Firilet*

Planning Commission

Marianne R. Coombs, Chairperson

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

Challenging times and opportunities are here for significant, positive changes in the City of Rutland. The Planning Commission is pleased to be involved in these times, and the long range planning efforts which will affect our City's future.

Gearing up for the implementation of Act 200, Vermont's new Growth Management law, has been the primary focus of the Commission's activities this year.

Neighborhood Planning Assemblies were conducted in the late winter and spring. These were well attended and probably unprecedented in Rutland for citizen participation. A preliminary report has been published. Questions for planning centered around likes and dislikes about neighborhoods, the City as a whole, what participants would like to preserve and maintain, what should be changed or eliminated. Some issues which did not seem to be precisely within the Commission's purview were passed along in the report and to the Aldermen to be addressed.

Information from the Planning Assemblies will be incorporated into the new municipal plan and subsequent new zoning regulations to the extent possible. When a draft plan is ready it will be brought back to the neighborhoods for review and comment.

Other important developments this year were hiring of Elizabeth Courtney, Staff Planning Consultant, and passage of a resolution support

ing a bypass and traffic improvements, with clear support from a great majority of participating citizens. The bypass recommendations have been supported by the Aldermen and the Regional Commission and are now on their way to impact studies.

Subdivision regulations have passed, and there are renewed relationships with the Regional Commission.

This year has seen many changes within the Planning Commission. These include the resignations of George Clewes, Chairman and Peter Louras, Chairman, last summer and fall respectively, Roger Gilmore, John Holler and Edwin Calcagni. Many years of experience and service are represented in this group and special thanks are in order.

The Commission wishes to thank everyone involved for their help and support, with special mention to Jay Shak, former Community Development Director, Tom Donahue, present Director, John Kollmer, Laurie Wentworth, Staff Planner Elizabeth Courtney, and most particularly the citizens of Rutland who participated in the neighborhood planning Assemblies. We do urge continued and increasing participation.

The Chair wishes to personally thank all the Planning Commission members for investing so much of their time and energy in the year's activities.

Police Department

Anthony L. Bossi, Acting Chief of Police

To the Honorable Board of Aldermen and the Citizens of the City of Rutland:

I respectfully submit the Annual Report of the Rutland City Police Department for the fiscal year ending June 30, 1989.

I wish to thank Mayor Wennberg, the Honorable Board of Aldermen, the Police Commission, all City Department heads and personnel, and especially all employees of the Police Department for their support and assistance during my tenure as Acting Chief.

Department of Public Works

Robert J. Navin, Commissioner of Public Works

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

I hereby submit the annual report of the activities of the Department of Public Works for Fiscal Year 1988-1989.

The Department of Public Works provides a variety of basic services to the Citizens of Rutland. Among them are day to day maintenance of City Streets, Sewer Collection Mains and Water Distribution Mains, the City Transfer Station, the Wastewater Treatment Plant, the area comprising the City's Watershed and the Water Treatment Plant. In addition, the Department responds to citizen complaints on a daily basis and emergency situations on a 24 hour basis. Citizens are reminded to contact the Police Department for emergency situations when the Department's business office is closed.

A special note of thanks is extended to the Public Works employees, Mayor, Board of Aldermen and Citizens of Rutland who have assisted the department.

The Department of Public Works should and will continue to serve the Citizens of the City of Rutland to the best of its ability.

ENGINEERING

Warren E. Conner, City Engineer
Alan Shelvey, Asst. City Engineer

The Engineering staff under the direction of City Engineer Warren E. Conner, provides survey design, and other engineering services for all divisions of the Department and for other departments within the city government.

As part of these services, the Engineering Division compiles and constantly updates plans and records of the water distribution system, the water treatment system including records, and inspections of all sewer systems in the city's watershed, the sewer collection system, the sewage treatment plant, the city's street system and the city's sanitary landfill. The Division also reviews and oversees water and sewer designs and specifications for projects let out for bid, and for streets utilities built by developers which are to be taken over by the city upon completion.

The Division also provides information to contractors and others concerning location of

city utilities, performs all traffic engineering for the city, prepares necessary easements and executes other duties of an engineering nature as required..

The Engineering Division was involved with the following major projects during the year:

Two major sub-divisions are under construction in the city.

The Stoneridge Development off Dorr Drive involving the construction of approximately 2,960 feet of new city streets including water mains and sanitary and storm sewer system. The Laverne Drive Development involving the construction of approximately 1,800 feet of new city streets including water main and sanitary and storm sewer systems. All of these streets will be taken over by the city upon completion and final acceptance by the City.

Review of plans and specifications for the final phase of Stratton Estates development and for a proposed subdivision easterly of Marolin Street.

The installation or reconstruction of approximately 5,000 feet of concrete sidewalk was performed on Lincoln Avenue and Allen Street in conjunction with the installation of new buried telephone line by the New England Telephone Co.,

Contract 5 of the Sewer System Rehabilitation Project involving the replacement or rehabilitation of approximately 13,000 linear feet of sewer lines was completed by the Belden Company. This project, funded by the State and Federal Government at a 90% participation level, has resulted in the rehabilitation of approximately 30,000 linear feet of sewer mains over the last four years.

The following are other projects the Engineering Division was involved with during the year:

—The reconstruction of sidewalk and curb along the north side of Center Street from Merchants Row to Wales Street.

—Review 266 building permits in conjunction with the building inspectors' office.

The Engineering Staff consists of Warren Conner, Alan Shelvey, John Havens and Scott Taggart.

CITY FOREST AND CITY ORNAMENTAL TREES

David Richards, City Forester

The City Forester is in charge of all forestry work including management of the city's ornamental trees and the 4,000 acres of the city forest in the watershed.

The sale of all timber on the Rutland City Municipal Forest is carried out under approved watershed management practices to provide a regulated harvest of timber products and to protect and insure maximum sustained yields of usable water. Timber sales include sawlogs, firewood and pulpwood. Sales are marked out so as to improve the timber stand which remains while providing income for the City. Trees over 6" in diameter at breast height which do not promise to develop into sawtimber quality stems are removed. Large straight trees are left to become more valuable and to provide genetically superior seedlings.

During the fiscal year the city put out one (1) large timber sale instead of the usual 3 or 4 smaller sales. The sale was in Compartment 5 of the Rutland City Forest. It was marked out in three units and sold as one sale entitled Brewer Brook Timber Sale. The high bidder was Paul Bunyon Logging, Inc. Claude G. Dern, President, from Dorset, Vermont, for \$36,532.00.

There are also several log sales from last year still in progress in the watershed.

The Vo-Tech School's forestry program continues to use the Rutland City Forest to train students in logging techniques. They are working on the second unit of a firewood sale. This fiscal year they purchased a TimberJack Log Skidder.

We contracted out one (1) Timberstand Improvement job during the year. The job consisted of 70 acres and the low bidder was Bobby Connors of Dorset, Vermont. We paid him \$1,800.00 to complete the work. The City Forester did another 35 acres of improvement for a total of 105 acres of Timberstand improvement work done during the year.

During the year 32 trees were removed from along City streets. Central Vermont Public Service Corporation and New England Telephone helped pay for removal if trees were a danger

to their utility lines, and they helped remove storm damaged trees where the lines were involved.

We also continued our basic maintenance program of removing deadwood, cabling for structural support, removing low hanging limbs for street and sidewalk clearance.

We planted 50 new trees on city streets in our tree planting project. Varieties of Maple, Oak, Ash, Honeylocust and Crabapples were used.

An additional 68 shade trees were planted on North Main Street. The project was entitled "Rutland Centennial Trees 1892-1992". The cost of the project was funded through private donations and 52 of the trees were planted by volunteer labor on May 7. A Public Works crew put in the remaining trees.

STREET DIVISION

Henry Monaco, Supervisor

Paul Julius, Foreman

HOT MIX BITUMINOUS CONCRETE PAVING PROGRAM:

4039.34 tons of hot mix was placed by our contractor, Whitcomb Construction, at a cost of \$121,280.30.

Streets paved (or portions of) were: Deer St., Bellevue Ave., So. Main St., Crescent St., Church St., Baxter St., E. Washington St., Plain St., Curtis Ave., Chase Ave., Madison Ave., Ripley Rd., Kingsley Court, Hillside Rd., Catherine Dr., Church St., Hazel St., Bellevue & North Street Extension intersection.

The department installed approximately 408 feet of concrete sidewalks and 430 feet of concrete curbs.

SNOW AND ICE REMOVAL:

A total of 3222 tons of salt and 134 tons of sand were purchased costing \$120,565.57.

WASTEWATER TREATMENT DIVISION

G. Lewis Hotaling, Chief Operator

Michael Garofano, Lab Director

The following is a report of the Wastewater Treatment Plant for fiscal 1988-1989.

In the past year the Rutland City Wastewater Treatment Plant received, treated, and released 1,969,400,000 gallons of wastewater.

To operate the plant and meet the conditions of our discharge permit, the following chemicals were used.

Chlorine	41,705 pounds
Sulfur Dioxide	30,042 pounds
Polymer	2,430 gals.
Lime	700 pounds

The follow is a breakdown of materials removed from the wastewater stream:

Grit Sand & Gravel	122 CY
Raw Sludge	6,414,650 gal.
Sec. Sludge	13,943,554 gal.
Grease & Fats	23,000 gal.

WASTEWATER COLLECTION BRANCH

James Ward, Chief

Peter Kelley, Foreman

The Wastewater Collection Branch, having in its charge all storm sewers and sanitary sewers has completed the following work for the 1988-1989 year, by the following employees:

Sewer Specialists:
 Thomas Brown
 Tyler Earle
 Robert T. Tyler, Sr.
 Thomas LaMontagne (retired March 1989)
 Steve Davine
 Fred Wood
 Backhoe Operator:
 William Santwire

Cleaning sewer system with Vector. New sewer services —39; new basins —12; repair sewer in main —26; repair sewer services —17; new manholes —6; repair to manholes —23; storm sewer extensions —444' of 8" pipe and 224' of 12" pipe; repair catch basins —8; sanitary sewer extensions —73' of 8" pipe; sewer plugs private —71; sewer plugs main —58. Also an addition to the main building was built by the W.W.C.B. employees, the addition measures 16' x 24'. A trench box was purchased for safety to the employees.

WATER DISTRIBUTION DIVISION

Bruce Matt, Manager

Robert Harvey, Foreman

Comparative figures for the past three years work programs are:

	86-87	87-88	88-89
Main Ext.	567'	581'	750'
New Hydrants	16	12	16
Hydrants repaired	10	11	25

Located at Giorgetti Park
2 Basketball Courts, 2 Paddleball Courts, 1 Baseball Field, 1 Softball Field, nature trails & Ice Skating Rink.

Monsignor Connor Park—Meadow Street
2 Lighted Basketball Courts, 3 Lighted Tennis courts, 1 Wading Pool, 2 Softball Field & Playground Equipment.

John W. Cioffredi Complex—Off Temple St.
2 Softball Fields.

White Memorial Park—Off Avenue B
Swimming & Wading Pools, Playground Equipment, 1 Ballfield, 5 Tennis Courts, 2 Platform Tennis Courts & 2 Basketball Courts.

Rotary Park—Off North Street
4 Tennis Courts, Fieldhouse, Playground Equipment, 2 Basketball Courts, Lighted Softball Field & 2 Handball Walls.

Mini Parks—Designed for Tiny Tots
Locations:

Corner of River St. & Meadow St.
Corner of Madison & Prospect Sts.

Main St. Park—Corner Rt. 7 & Rt. 4
Gazebo, Benches & Picnic Area.

Center St. Alley Park—Downtown
Waterfall, Benches & Picnic Area, with Summer Concerts and Performances.

Depot Park—Downtown
Bench Area and Farmer's Market
location on Wednesday's & Saturday's during summer.

YOUTH ACTIVITIES FOR FALL & WINTER

Pre-School	Ages 3 & 4
Totnastic	Ages 3 to 5
Creative Movement to Music	Ages 3 to 5
Gymnastics	Ages 6 - 12
Hikes for Tykes	Ages 3 to 6
Arts N' Crafts Corner	Grades K-2
Saturday Craft Projects	Grades 3-5
Parent/Child Hot-Shop Basketball	
Soccer	Grades 4-6
Flag-Football	Grades 7-8
Rock Climbing & Rappeling	Ages 10-15
Basketball	Grades 5-8
Ice Skating Lessons	Ages 6-17
Skating Pizza Party	Youths
Volleyball	Grades 9-12
Wonder Week	Grades 2-6
Wee Wonder Week	Grades K-1

SPECIAL EVENTS

Programs Run in Conjunction with the Rutland Free Library at the Lawrence Recreation Center

A Children's Performing Arts Series

1. "Life Aboard the Space Shuttle"
2. "Toys in Space"

Both presented by NASA Space Ambassador, Gail Breslaur on October 1.

The Bennington Puppets presented "*the Nutcracker and the Mouse King*" for children in grades K-6 on November 19.

Gary Dulabaum presented "*Traditional American Children's Songs*" for children ages 3-7 on January 14.

Cynthia Payne, Storyteller presented "*Traditional Tales*" on February 4.

David Moss presented "*Drum Song*" for children on March 11.

Halloween Events

A **Halloween Party** for students K-4 was held on October 29 with a "costumer parade," prizes, treats and a very special "**Haunted Stories**" of Mary Batchelder. The annual **Halloween Parade** was held on October 31 with our **Pumpkin Queen** leading the way.

Christmas Events

Ice Cream Social with Mr. & Mrs. Claus for children age 3-5. Ice cream was donated by Ben & Jerry's.

"**Christmas Festival**" for grades K-4 to meet Mr. & Mrs. Santa Claus and enjoy **Storyteller and Puppeteer Joan Dean**.

Other events included: Santa Phone Calls, Santa's Hat Hunt, and **Holiday Week Adventure Group**.

ADULT ACTIVITIES FOR FALL & WINTER

Caving in Vermont - Slide Show
Outdoor Survival Training Class
Knitting
Ancient Indian Ruins & Customs - Slide Show
Glass Picture Staining
Music and Movement for Self Expression
Art in the Park
Chess Play & Club
Square & Round Dancing
Stamp Club
Aerobics
Volleyball Clinic
Volleyball League
T'ai Chi
Yoga
Four Parent Awareness Workshops
Christmas Crafts
Soups & Chowders
Adult Issues of Today Series
Ice Skating Lessons
Jazz Dance

Concert Series

Classical Chamber Music, November 21 - December 21

SENIOR/ ADULT PROGRAMS

The Rutland Recreation and Parks Department's Senior/Adult Center is an integral part of the City of Rutland Community. Located off Deer Street, the Center offers a wide selection

of programs, services and activities for the older population.

The 1988/89 year proved to be a year with growing interest among residents in creative programs, educational and physical, as well as traditional programs.

The Rutland Senior/Adult Center serves as a meal site for the Area Office of Aging, Nutrition Program, and served an estimated 5,880 meals. Traditional Thanksgiving and Christmas Dinners are served in addition to the regular meals.

RECREATION PROGRAMS HELD AT THE SENIOR/ ADULT CENTER

Art Classes
Ceramics, Ceramic Workshops
Christmas Workshop (wreath making, tree ornaments, cone wreath)
Crochet Class
Grapevine Wreaths
Quilting
Dried Flower Arranging
Basketry
Exercise/Fitness Classes
Yoga
Senior Walkers
Tennis Clinic
Tennis League
Golf League
Holiday Shopping Trips
Senior Singles

Mini-Van Trips

Hildene
Sleigh Rides
State House Tour
Strawberry Picking
Local Theater Performances
Senior Lunch Bunch

Special Events & External Programs

Hiking
Cross Country Skiing
Fishing Trip
Golf Banquet
Halloween Party
Poetry Lecture Series
Piano Lessons
Senior Home Demonstration Club
Lampshade Workshops
Folk Dance Lessons
Contra & Square Dancing

Special Events (continued)

Shuffleboard League
Horseshoes
Billiards
Bingo
Pincochle/Bridge
Whist Party
55 Alive/Mature Driving
Tax Counseling
Bowling League
Aquasize at the VAC pool
Reading Discussion Series
Lectures at Noon
Robert Hartensten/Barbara Kirk
Vt. Arthritis Foundation
Rutland Health Council
Flea Market & Health Fairs
Cribbage
Play Table Tennis
Letters to Santa

Winnepesaukee, Railroad & Cruise

Health Services Offered

Monthly Blood Pressure Screening
Flu Clinic with RAVN
Foot Care Monthly
Cholesterol Clinic(s) with RAVN
Self-Help Workshop with Arthritis Foundation
Hearing Screening with Robert Hartensten/Barbara Kirk
Handwriting Analysis
Growing Wiser Series
Traveling Library with the Rutland Free Library
S.S.I. Referrals
Medicare & Catastrophic Health Care
Workshops with Roger Lever

Spring and Summer Activities

Playgrounds and Sports Camps

White Swimming Pool

Opened for the Season, Friday, June 17, 1988. Lessons were offered in the following categories: Beginner, Advanced Beginner, Intermediate I and II, Advanced Swimmer, Basic Rescue and Water Safety and Advanced Lifesaving. Three-3 week sessions of lessons were offered. The City Swim Team, under the direction of Kevin Stanley, competed throughout the State. The City Swimming Championships were held July 13.

Playground Locations

Supervised 9—Noon
Rotary Park
Giorgetti Park
Msg. Connor Park
Northeast School
White Park

Creative Playground—Ages 4 & 5

Madison St. Mini Park
Two-2 week sessions

Basketball Camps—Grade 5 thru Sr. High

Held at Rutland High School
Two-1 week sessions

Track Camp—Ages 6-9 / 10-12 / 13-14

Held at Vo-Tech Track
Two week session

Soccer Camp

Session 1: Ages 7-9
Session 2: Ages 10-14
Held at Giorgetti Park

Outdoor Adventure Day Camp

Features Hiking and caving
Grades 3 & 4 / 5 & 6 / 7 & 8

Pine Hill Day Camp—Grades 1 thru 8

Held at Giorgetti Park, Two-2 week sessions

SPORTS PROGRAMS

Baseball Programs

Mitey Mites	Grades 1-4
Boys: Pee Wee's & Rookies	
Girls: Pigtails & Ponytails	
Midget League	Ages 10-12
Junior League	Ages 13-15
Senior League	Ages 15-17

Softball League

Men's A, B, C & D
Women's B & C
Morning League

Tennis Instruction

Tennis Camp	White's Park
Session 1: Ages 8-10	
Session 2: Ages 11-14	
Adult Tennis	Rotary Park

Night Radio Control Racing

Wednesday evenings at Rotary Park's Race Track.

SPECIAL EVENTS

Caving, Rock Climbing & Rappeling

A mobile camp held for Grade 9-12 students introducing them to basic techniques.

Fishing Derby

Held at Combination Pond for ages 5-13. Co-sponsored by the Kiwanis Club.

Safety City

Two-2 week programs for 4 and 5 year olds teaching skills needed in real life situations.

Bike Club—Ages 15 and up

All About Me

Two week program for 4 and 5 year olds to help provide them with a good feeling for one's self-image.

Family Performance

Punsch Puppet Theater presented "Kasper and the Cow" & "The Surprise" in Center St. Alley.

Art in the Park August 13 and 14

Songs & Story's for Children

Peter & Mary Alice Amidon presented songs & stories for children ages 4 and up on Thursday, August 4 at 2 p.m. at the Recreation Center, co-sponsored with the Rutland Free Library.

Drama Club—Performed the "Wizard of Oz" August 12 & 13 at the Lawrence Recreation Center.

CONCERTS

Lunch with Music—Center St. Alley
June 20 - August 23, Noon to 1 PM

Seven to Sunset Jazz—Main St. Park
June 18 - August 24, 7-9 PM

Vermont Symphony Summer Pops

Saturday, July 9, 7 PM, at Giorgetti Park

Top Notch Performance—Center St. Alley
Tuesday, July 26, 6:30 PM. A youth organized vocal jazz/pop group representing the youth of the region.

Metropolitan Brass Quintet—Center St. Alley

Friday, July 8, Noon to 1 PM

CLUBS AND ORGANIZATIONS UTILIZING RECREATIONAL FACILITIES AND PARKS:

Rutland Public and Parochial Schools, Marble City Riders Motorcycle Club, City Democratic & Republican parties, Trinity Episcopal Church, Wallingford Elementary School, Town of West Rutland, Rutland County Farmer's Market, College of St. Joseph, CKS Walk-A-Thon, Rutland Area Baseball League, United Way of Rutland, Rotary Club, Chaffee Art Gallery, Knights of Columbus, Parent's Nursery Guild, First Baptist Church, St. Peter's Parish, Vt. Headmasters Association, Rutland Veteran's Council, Rutland Area Vocational-Technical Center, State Armory, Tambrands, S.A.D.D., Rutland Region Chamber of Commerce, Paramount Center, Inc., The American Guild of Flower Arrangers, Marble Valley Players, Vermont Associates for Training and Development, Inc.

LONG RANGE PLANS:

New Recreation Community Center w/
Indoor Pool
Outdoor Amphitheater
Physical Fitness Trails
Continued Development of Giorgetti Park
Department Bus
Replacement of Playground Equipment

FISCAL NEEDS OF THE DEPARTMENT

Much needed maintenance equipment
(trucks & mowers)
Maintenance Garage
Irrigation system for fields
Park Policemen
Athletic Supervisor
Director of Women's Programs
New Gutter System at White's Pool
Update communication system

I would like to express my appreciation to the Mayor, Board of Aldermen, and the Citizens of Rutland for their interest and cooperation, our dedicated staff, the Pepsi Cola Bottling Company for their donations, the Marble Bank for the sponsorship of our brochures, Howard Bank for their many contributions, Ben & Jerry's Ice Cream, Holson Automotive, and all the volunteers who unselfishly contributed their time and energy.

Board of School Commissioners

Mr. Edward O. Allen, President, Board of School Commissioners
Mrs. Jean Coloutti, Clerk

To the Citizens of Rutland City:

The 1989-90 year represents one of the most challenging years that the Rutland City School Commissioners have seen in recent memory. State Aid to Education has decreased by \$233,000.00, forcing much more burden on the local tax payers. At present, we are also forced with the need to up-date our educational facilities, yet, the taxpayers opinion is that we are at our limit. To meet current educational demands we must spend money to upgrade our schools.

Although this seems like an impossible situation the City of Rutland needs to make a positive statement. We need to sustain as well as improve our educational system. Although our present

system is good we must strive to make it better. We need to cast aside the usual system of band aid fixes and take on a long range plan of changes.

I think Rutland will meet this challenge. I saw renewed enthusiasm in the downtown area and a positive vote on the Library Bond. This shows that the City is aware of the need for progress.

Efforts will continue by this board to find appropriate compromises in resolving the need for positive changes in our educational system. I urge Rutland citizens to be part of this change. We need your support so that we can help our young people meet the challenges of the future.

Board of School Commissioners

Rutland, Vermont

President: Mr. Edward O. Allen, 85 Edgerton Street

Clerk: Mrs. Jean Coloutti, 10 Hillcrest Road

RUTLAND SCHOOL DEPARTMENT

In accordance with Rutland City Board of Education Policies, a free appropriate public education for all handicapped children is guaranteed. If your child is handicapped, or you know of a handicapped school age child who is not currently being served, please contact the Pupil Personnel Office at 773-1917.

Department of Education

Charles P. Skiptunas, Superintendent

To the Citizens of Rutland City:

The City Schools continue to make significant, measurable progress in school improvement. Each of the schools in our organization are developing and modifying *Belief Statements* which are statements of the unified effects of that particular school in their continuing efforts of school improvement. Schools are either striving to become more effective, or they are declining. We are becoming more effective.

Programs started three years ago are now becoming reality, with new initiatives proceeding nicely. It gives me pleasure to mention a few:

—**District Progress Report (DPR).** We are continually monitoring our vital signs: attendance, basic skills, holding power, SAT scores.

—**Alternative Education.** A program designed to encourage selected students to graduate and not allow drop-outs, therefore encourage more success.

—**Elements of Instruction.** Over two thirds of all staff have been trained in this instructional improvement program.

—**Gifted and Talented Education.** This new program focuses upon students in grades 4 through 6, providing enrichment opportunities.

—**District Curriculum Committee.** Professional educators from within the District working together to address our major mission: providing an updated, coordinated, future oriented curriculum.

—**Middle Level Education.** Grades 7 and 8 are organized into inter-disciplinary clusters, using the best of what's know today for teaching this age group, providing a more positive atmosphere for teacher and student educational interaction.

—**Senior High School.** Organized into a Grade 9-12 configuration. This is very successful in emphasizing attendance, scholarship, and participation.

—**Project Team.** We continue to train people in substance-abuse prevention programs, working with all community groups to help all of us deal with this frightening menace.

The District faces financial problems. The action of March 1989, reducing the charter limit, must be reversed. The simple fact is this school district cannot function within a charter limit of \$1.05. Without additional taxing authority or state aid we must be prepared to face many stringent cost cutting measures.

Large class sizes may result, extra curricular, and inter-scholastic activities may suffer, and other programs taken for granted will require cut-backs or even face abolishment.

State aid cannot continued to be rolled back and be tied in to one source, the property tax. This means our total community must unite to correct this lack of unequal treatment. Your continued vigilance will also be required to ensure that this will not occur in the future.

Hopefully, at this writing, our Bond Issue will be successful. We have a major task before us, to address, resolve, and successfully pass the necessary resolution to improve our educational facilities. We are not talking about a frivolous investment. We are talking about a long range business commitment to insure stability in our city and insure the future for generations still to come.

We, in your schools, feel proud of our programs and feel you can also feel justifiably proud of the direction in which your schools are going. Thank you for your support.

Marble Valley Regional Transit District, "The Bus"

Lawrence A. Dreier, Administrator

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

Marble Valley Regional Transit District, generally known as "The Bus" is approaching their 14th year of operation. M.V.R.T.D. is the largest non-urban public transit system in the State of Vermont. It provides transportation to the general public in Rutland County, as well as to several Social and Human Service agencies. M.V.R.T.D. increases self-sufficiency for the elderly, infirmed, handicapped and is vital for those who need transportation. M.V.R.T.D. has become a valued asset to the communities it serves. System ridership has increased noticeably over last year's 120,000 rides (49,000 rides furnished to special needs people alone). Approximately 283,000 vehicle miles accumulated annually on the fleet of 21 general transit buses, 30% of which are equipped for the handicapped.

In the past year M.V.R.T.D. has experienced enormous growth. The headquarters, located at 158 Spruce Street, have been totally renovated to include the following: new offices, dispatch area, paved parking lot, computerized book-keeping and dispatch, in-house fuel capabilities, expanded vehicle maintenance department, fencing, security system and a new 48' by 100' vehicle storage building. Capital replacement and expansion of the fleet has included the purchase of a new 33 passenger handicapped accessible general transit bus. On order are 5 handicapped accessible mini-buses for delivery this spring.

Financing these major investments (over \$400,000) has been accomplished through the generation of grants obtained from the State and the Federal Government leaving community participation at less than 20% of actual cost. Through efficient management and a trained professional staff (23 full time employees and 44 volunteers), M.V.R.T.D. has reduced costs to the taxpayer by 13% in the last fiscal year! Free in-city rides have been offered on the first day of each month, plus a new "Dial-A-Ride" service was instituted during the past year.

M.V.R.T.D. is actively working with area regional planners, developers, and legislative members to coordinate transportation needs in Rutland County as well as throughout the state. In times of uncertain and expensive energy supplies, public transit is becoming increasingly valuable. The value of public transit to the environment, traffic congestion, high costs of road construction and maintenance is immeasurable.

M.V.R.T.D.'s free transportation service to the Medicaid and Reach-up eligible has increased from just under 180 rides per month to a present high of over 2,100 rides per month. This increase has made M.V.R.T.D. the second largest Medicaid transportation provider in the State of Vermont.

We appreciate the financial and moral support of the elected officials and taxpayers of our municipalites that guarantee M.V.R.T.D.'s continuance.

Rutland Free Library Association, Inc.

Paula J. Baker, Director

To the Honorable Board of Aldermen and the Citizens of the City of Rutland:

A profound sense of growth in the partnership between the library and the community has marked nearly every aspect of the accomplishments and benchmarks achieved this year.

In November voters overwhelmingly passed a \$950,000 bond issue for building improvements including an elevator, expansion of existing stack and study areas plus the children's room, and upgraded mechanical improvements. A local architectural firm, Nimtz, Berryhill and Figiel, was retained to plan the extensive work, which is scheduled to begin in September 1989, immediately following the removal of asbestos from basement pipes.

Desiring to keep the library materials accessible throughout construction, the board decided to move the library to temporary quarters where services could remain uninterrupted. Help from the community quickly followed and rent-free space was obtained within weeks.

Town voters responded to building program support from city voters by increasing the margin of their annual operating support. Further, the Abatiell family has made a gift of new carpeting for the Fox Room, with installation to take place once renovations are complete in early 1990.

Services, while already extensive, were significantly expanded through successful grant writing, community benefactors and determined staff planning. We also added 42 more hours to the summer schedule and 36 more hours to the winter schedule. In the area of literacy, the library received a federal grant for a program which utilized writing workshops for adult new readers as a means of teaching and of making the library more "user-friendly." We also sponsored our second series of reading discussion programs for adult new readers. Special programs for targeted audiences included the identification and use of library resources for both home schooling parents and high teachers as a part of in-service training this spring. The library was also awarded funds through the Windham Foundation for a community-wide Read-a-Thon. A gift of \$3000 from the McArthur Foundation

provided us with award-winning PBS videotapes. Other cultural and educational programs included reading/discussion groups, concerts, lectures, story hours and special science workshops for children. The library also received the Smith Grant for the second year with a plan to work with parents on the formation and use of playgroups.

Community partnership was in evidence in the area of new services as well as building support with the acceptance of two major gifts. The Rutland Herald provided the funds for a microform reader-printer and the Lion's Club raised money for a specialized machine which helps readers with severe sight problems return to the printed word.

The circulation of books, tapes, magazines, films and records rose 6%, up from last year's 4% increase. Since 1980 use has increased 24%, with 10% of that coming in the last two years. Registration remains uniformly high and stable.

Measuring the number of reference questions asked is another way of examining service to the community and a study conducted this year as a part of a national survey revealed that we answer over 19,000 questions in a year.

Staffing to meet the demands and needs of a highly active community is a challenge. A recent report issued from the state library revealed that the Rutland Free Library circulated only 1725 fewer books than the highest circulation in the state but did it with 8 1/2 fewer people. Again a partnership pattern has emerged as the volunteer program finished its second year with over 1200 hours logged at a market value of nearly \$8500.

And last, a partnership with the community has been sustained and nurtured through the efforts of the Friend of the Rutland Free Library who celebrated their first anniversary this year. Their labor and ideas helped us to reach voters last November and to make our goals clear. In addition, they raised \$3000 for the purchase of a computer for the reference desk.

The library, an independent organization, receives tax support from Rutland City and Rutland Town. Residents of these communities

have free access to the services, collections, programs and materials maintained to meet their business, school and personal needs. A good partnership is one in which growth and mutual

respect are present and nurtured. The year ends with this good news: both are present and in abundance.

Report of the Rutland Historical Society, Inc.

James S. Davidson, President

To the Citizens of the City of Rutland:

During the past fiscal year, the "Old Bank" building at 101 Center Street was sold. The Rutland Historical Society had occupied this building for over 15 years. However, it was in poor repair and not suitable for public use. Funds obtained from this sale will help to renovate another city building, the Nickwackett Fire Station at 96 Center Street, as the new home of the Rutland Historical Society. The Society is currently raising funds to supplement those obtained from the sale of 101 Center Street.

The Society has stored its collections since the sale of its old home and can only provide limited use of them until the completion of the work on the Nickwackett Fire Station. The Society hopes to complete this renovation during the current fiscal year.

Meanwhile, the Society has continued publication of its award-winning Quarterly and

a book committee is working on a multi-volume History of Rutland. Programming has continued in a cooperative venture with the Rutland Recreation Department. The Seventh Annual Singalong was forced indoors at the National Guard Armory by heavy rains. With good weather it will return to the Center Street Alley next year.

The Rutland Historical Society celebrated its Twentieth Anniversary this year. It is an all-volunteer organization which is dedicated to collecting, preserving and sharing information about Rutland's past through exhibits, programs and publications. Interested persons are invited to join the Society and assist in its projects.

With the support of the community and the City, the Society will be able to continue its services to the people of Rutland.

Regional Ambulance Service, Inc.

David R. Melen, President—Board of Directors
Aldo Manfredi, City of Rutland Representative

To the Honorable Citizens of the City of Rutland:

It is a privilege to report to the Citizens of Rutland City that your community ambulance service is in excellent financial condition and is providing the best service for the least amount of money. Regional Ambulance Service, Inc. has provided emergency and non-emergency ambulance service since July 1983. During our sixth fiscal year, ending June 30, 1989, Regional Ambulance Service, Inc., responded to a total of 3,736 calls.

The cost of providing ambulance service to Rutland City and the other 10 member towns increases each year. The increased costs are not being passed on to the towns, but are being funded from other sources. We have been able to contain the request for assessment amount for the fifth continuous year. We thank the citizens and respective Boards for their continued support.

The service purchased a new modular ambulance replacing a 1983 modular ambulance.

The purchase of a new ambulance to replace one of our four vehicles each year has proven to be very beneficial to the organization. Hopefully this practice can be continued in the future as it is a cost saving measure.

The professional staff is extremely capable and dedicated. The equipment is current, complete, and well maintained. The public is encouraged to visit and talk to the employees and administrator at our Stratton Road facility. Please feel free to contact James Finger, Administrator, or your representative, Aldo Manfredi, if you have any questions concerning the service.

We are proud of our accomplishments and would like to thank the citizens we serve for their support. The Board of Directors and Administration of Regional Ambulance Service, Inc., will continue to strive to provide the highest quality of emergency ambulance care at the lowest possible cost to all of the citizens we serve.

Rutland Area Visiting Nurse Association

Evelyn Doyle, Executive Director

To the Honorable Mayor Wennberg, City Council and people of Rutland City:

Thank you for your continued support of the Rutland Area Visiting Nurse Association.

The Home Care services that were provided to City patients are as follows:

Unduplicated Patients	998
Skilled Nursing	6541 visits
Physical Therapy	1341 visits
Speech Therapy	33 visits
Occupational Therapy	17 visits
Home Health Aide	6002 visits
Homemaker	6789 visits

Our goal continues to be, to provide quality home care services so people may remain in their own homes as long as possible.

Other services that the RAVNA provides are:

Prenatal Classes	56 couples attended
Clinic services	566 unduplicated people served

Public Hypertension & Cholesterol screenings	7907 screened
Preventive Health Services	Health Program for industry & business

Our Agency continues to make every effort to diversify and meet the changing health needs of our communities. Our thanks go out to all of the people of Rutland City that supported our funding request. This allows us to continue to help keep people out of institutions; giving the elderly, frail and handicapped the opportunity to remain at home, giving them a choice of health care.

If you would like more information on RAVNA services, please call 775-0568. It is always a pleasure to serve you.

Michael Fannin, marble restorer, took these before and after shots of Judge Samuel Williams' monument in North Main Street Cemetery. Williams, judge of the county court and co-founder of the **Rutland Herald**, was referred to as the "father of the village" in recognition of his civic accomplishments. He died from injuries received in a logging accident in February 1800 just short of his forty-fourth birthday. His Masonic brethren erected this monument over his grave that summer.

Cemetery Commissioners' Report

Dawn D. Hance, Chairperson

To the Honorable City Council and Citizens of the City of Rutland:

Last year was a banner year for the cemeteries. Restoration was completed at North Main Street. In addition, about one-third of the gravestones and the vault were repaired at West Street.

In January it was discovered that several of the recently repaired stones at West Street had been overturned. At that time the three gates were secured with chains and locks. Keys are available at the police station and the treasurer's office.

The cemetery commission was allotted \$5,312 for the 1989-90 fiscal year. T. and J. Landscaping Service was awarded the contract for mowing. The bid was \$3,237. The remainder of the

money will be spent on restoration at West Street Cemetery. It is hoped this project will be completed in the summer of 1990.

Several persons have complained that the old cemetery near the General Electric Plant on West Street is not being mowed. This is a Catholic cemetery probably affiliated with Saint Peter's Parish. It is my understanding that since this site is not owned by the City it is not under the jurisdiction of the City Commission. However, I agree that the cemetery does need attention. Perhaps some organization would be willing to maintain this cemetery.

Office on Aging, RSVP, and One-2-One

John G. Campbell, Office on Aging Executive Director

Anne Rowe, RSVP Director

Maria Fish, One-2-One Director

To the Citizens of Rutland:

Three agencies serving older people in Rutland City and surrounding areas received \$29,475 in City funds for services provided in 1989.

The **Office on Aging** (Southwestern Vermont Area Agency on Aging), which is located in the Bardwell House, is the regional provider of meals and senior advocate services provided by or arranged through the Office on Aging during the past year. A total of over 29,000 meals were delivered to homebound elders in the City by staff and volunteers. Another 18,750 meals were provided at three locations within the City: The Bardwell House, Sheldon Towers and the Senior Center on Deer Street.

Other services available through the Office on Aging, either directly or through contract, are a long-term care ombudsman who assists residents of nursing homes and community care homes, legal services through the Senior Citizens Law Project (Vt. Legal Aid), information and referral and volunteer assistance. There are also subsidized employment opportunities for people who are aged 55 or older and who have limited incomes. For more information call 775-0486.

Senior Advocates provided assistance to over 400 City residents with benefits applications, problem resolution and linkages with a variety of services or opportunities for assistance in 1989. They meet with elders in their own homes, providing a personalized service which respects the elder client's wishes where possible.

The **Retired Senior Volunteer Program** — people helping people — volunteers sharing their life skills to support their community — is an important program that is continuing to grow in strength and services provided to non-profit organizations in Rutland County. The

variety of services we provide is almost unlimited, based on the imagination and skills of our volunteers and the needs in our community. RSVP volunteers serve as receptionists, tutors, library aides, office workers, hospital workers, musicians, nutrition workers at senior mealsites, guardians-ad-litum, day care workers, and friendly visitors. They provide computer expertise, telephone reassurance to frail elders, transportation to medical appointments, tax assistance to elders, work in the correctional center, police department, public schools and many more.

RSVP is the largest program of coordinated volunteer opportunities in the area. It is available to assist people 60 and older who want to help meet community needs through meaningful use of their skills and knowledge. Approximately 385 volunteers participated in the program last year, donating over 56,000 hours of service to the community. Almost two-thirds of these hours were donated to organizations located in Rutland City by approximately 200 volunteers. The RSVP program recognizes that senior volunteers are a tremendous resource to the community and the self-fulfillment gained through their volunteer work enriches the lives of those who participate. For more information call 775-8220.

The **One-2-One Program** operates with a group of dedicated volunteers to provide telephone reassurance, friendly visiting and essential transportation to Rutland County elders. During the past year over 7,000 telephone contacts, 500 visits and 2,500 trips were provided for Rutland City elders. The One-2-One program is part of Rutland Community Programs, Inc. To arrange for services please call mornings 775-8219.
